

# Homework Policy

- The homework should be handwritten in A4-sized papers, and in a neat tidy way, for TAs to read and grade.
- Plagiarism is strictly prohibited. No cheating is allowed.
  - Confirmation of plagiarism or cheating will directly fail you in this course. The consequence is not negotiable.
- Discussion is generally encouraged, but not for the HW problems.
  - You need to do the HW problems on your own.
  - Likewise, you may not share your homework answers with others.

# Homework Turn-in

- There are two ways.
  - Bring it to EC 114 during course time.
  - Take it to the front-door of EC 242.
- Make sure that you have
  - Written your *name* and *student ID No.* on the upper-right corner.
  - ***Stapled your answer-sheets*** if there are multiple ones.
- In general, no late submission is accepted.

You can come to EC114 to do the HW and turn it in when finished.

# Rewards for Exceptionally Good HWs

- For each HW,  
the best 10% will be selected under TA's discretion.
  - The selected answers will be made public to E3 under the author's permission and be rewarded extra 0.2 pts to the final grades.
- Selection policy for the best HWs -
  - When surprisingly beautiful or smart proof method is used.
  - When it is well-organized, neat, and tidy to read.
